Narayanaryal.code@gmail.com 

An active BIT undergraduate individual who is open to work as an IT professional in the real world. I have a solid knowledge of numerous skills such as front-end developing, networking, designing, and others, as well as a thorough understanding of the IT industry. I am a highly ambitious individual who aspires to achieve greatness. Because I believe in a growth mindset, I value all work equally. I am very concerned about my responsibilities and committed to personal growth. I feel that wherever I work, I will be a person who contributes positively to the firm.

Work Experience

2019 – 2022
